

Historian

2023-2024

OFFICER TRAINING

K-STATE
Research and Extension

Refer to "So You Are Historian..." for more information on being the Historian such as job responsibilities. You can find the Historian officer book on the River Valley 4-H website or at your local Extension office. Virtual Officer Training is due to your local Extension office by **11:59 pm on Sunday, November 5, 2023.**

Name: _____

4-H Club: _____

Label a Photo

Write a caption for each photo below. Practice including a short explanation of facts related to the activity. The caption and photo work together to tell a story to someone who was not there.

Design a Scrapbook Page

After reading through the officer packet, it is time to practice designing a scrapbook page. Use the space provided below or attach another sheet.

- Option A: Choose an event or activity your club has been involved with between October 1, 2022 and now. Design a scrapbook page to tell the story about this event. Use real photos, clippings and other items to make a layout.
- Option B: Make up a pretend activity from National 4-H Week or 48 Hours of 4-H. Draw a mock layout to tell a story about this activity. In your design, include at least one photo with caption, a thank you note received, and a newspaper clipping.
